Suspension/Expulsion Policy

Unfortunately, there are sometimes reasons we have to ask that a child be removed from our program either on a short term or permanent basis. We want you to know we will do everything possible to work with the family of the child(ren) in order to prevent this policy from being enforced.

When a Child Is Having a Problem In The Classroom

- Staff will try to redirect child from negative behavior.
- Staff will reassess classroom environment, appropriateness of activities, supervision.
- Staff will always use positive methods and language while disciplining children.
- Staff will praise appropriate behaviors.
- Staff will consistently apply consequences for rules.
- Child will be given verbal warnings.
- Child's disruptive behavior will be documented and maintained in confidentiality.
- Parent/guardian will be notified verbally.
- Parent/guardian will be given written copies of the disruptive behaviors that might lead to expulsion.
- The director, classroom staff and parent/guardian will have a conference(s) to discuss how to promote positive behaviors.
- The parent will be given literature or other resources regarding methods of improving behavior.
- Recommendation of evaluation by professional consultation, such as Early Childhood Mental Health.
- Recommendation of evaluation by Intermediate Services/Early Intervention Services.
- Ages and Stages Questionnaires completed by teachers and given to parents to complete and return.
- Parent completes request for services forms as needed.

Schedule of Expulsion

- If after the remedial actions above have not worked, the child's parent/guardian will be advised verbally and in writing about the child's or parent's behavior warranting an expulsion. An expulsion action is meant to be a period of time so that the parent/guardian may work on the child's behavior or to come to an agreement with the school.
- The parent/guardian will be informed regarding the length of the expulsion policy.
- The parent/guardian will be informed about the expected behavioral changes, or supports, required in order for the child or parent to return to the school.

Parental Actions For Child's Expulsion

- Failure to pay/habitual lateness in payment.
- Failure to complete required forms including the child's immunization records.

Community Stakeholders (Hershey)

Dear Parent,

Welcome to the Tender Years family! Thank you for choosing our center! As part of our enrollment process, we would like to have you fill out the questionnaire(s) and sign the permission slips that precede this page in your packet. This will help your child's teachers and caregivers get to know your child and your family, as well as shape your child's day here at our center.

After your child has joined a classroom (whether initially or following a transition), you will receive information about your child's first Developmental Assessment and be offered a meeting with your child's teacher. This will take place within your child's first 45 days in any program.

It is also your right as a parent to transfer your child's records, at your request, from our center to another educational setting when your child leaves our facility. Please contact the director if you wish to request your child's records.

Tender Years is an integral part of our local community. We establish relationships with local businesses, schools, helping professional organizations, and regularly participate in fundraising ventures for worthy causes. If you would like to contribute the name of a business or organization that you feel would be a worthwhile addition to our stakeholder's list, please let your center director know. Thank you!

The following list of contacts is provided for your information. If there is additional information that you would like to share with us, please feel free to give that information to the director.

Key Code Access (Camp Hill & Hershey Centers)

Dear Parent,

Tender Years, Inc. uses a key code access system for entry into our Camp Hill and Hershey centers. This system is exclusive to staff and family members who are enrolled in our programs. In order to gain admittance, you will be required to use a code that is specific to your family. (You will choose your own four-digit code upon completing your registration paperwork.)

The security system is in place to provide the best possible security for your child/children and our staff. Unauthorized individuals will not be able to gain admittance to the center. It also allows you independent and efficient entry when dropping off and picking up your child(ren) each day.

With the access system, you will be able to open the door any time during normal hours of operation, Monday through Friday, 6:30pm - 6:00pm. Staff members are not expected to assist parents in accessing the facility; parents and guardians should consider the use of the four-digit code as their only means of entrance.

Individuals listed as "Persons to Whom My Child May Be Released" on your Emergency Contact Form may need to access the facility from time to time. We ask that you please do NOT give them your door code. They may ring the doorbell and check in at the front desk. If it is someone's first time at the facility, they will be required to show identification. Upon proof of identification, the Center Director or Assistant Director will allow them admittance to the center.

Thank you in advance for your cooperation as we strive to provide the safest of environments for you and your family!

----- (Please detach and return to office) -----

In order to provide a safe environment for our students and staff, each family has their own pin code to gain access to the building. Please complete this form and return to the office.
